

VERSION MÉTAL  
DESIGN & ARCHITECTURE

## MILAN COLLECTION

Milan collection emphasizes the sophistication and transparency of the metal cloth.

Thanks to the material, this screen becomes original.

Created by a designer, **Scala** screen looks minimalist, unique and contemporary.

## EXAMPLE OF INSTALLATION

## SCALA

Especially created by PASCALE LION for VERSION METAL

### PRODUCT DESCRIPTION

**Scala** screen is produced with a beautiful metal cloth.

The thin and light Silk wave cloth enwraps a modern structure which perfectly matches the design of your interior.

Its wrinkled effect allows elegant lighting effects which evolve throughout the day. Its modern look structures the space and also protects you against prying eyes.

Ready to mount, **Scala** is easy to use.
