

PARIS COLLECTION

Paris collection is a range of curtains in metal mesh. Original and elegant, this collection dresses and modernizes your interior.

The combined effect of industrial meshes and French elegance has given birth to five luxurious curtains :

Monceau : thin and light, waterfall effect.

Montmartre : soft, all round.

Opéra : undulated and structured.

Vendôme : wrinkled, very light and transparent.

Elysée : playful, soft and bright.

EXAMPLE OF INSTALLATION

VENDÔME

PRODUCT DESCRIPTION :

Vendôme curtain is produced with the Silk Wave cloth.

Light and transparent, this cloth brings a number of qualities and transparency effects.

Wrinkled, it plays even more with light and contrasts.

It creates sparkling effects; it is sweet and silky at touch.

Vendôme curtain is delivered together with its fixing system and is easy to install.
